**SIGN ME UP FOR AUTOMATIC RENEWAL!** By checking here, I authorize NAAA to charge my membership dues (increasing 3% each year, rounded up to the next \$5 increment) and NAAREF donation on Sept. 1 of each year to the credit card shown above. To change or opt out of automatic renewal, call NAAA.

Dues and similar payments may be deducted as ordinary and necessary business expenses subject to restrictions imposed as a result of NAAA's lobbying activities as defined by Section 13222 – Omnibus Budget Reconciliation Act of 1993 {IRS Code 162(e)}. The non-deductible portion of dues paid during each calendar year changes reflecting the funds NAAA spends on lobbying activity. Please see your dues receipt for the current year's non-deductible percentage. A subscription to *Agricultural Aviation* magazine (\$30 domestic, \$45 international) is included in the membership dues for all membership categories. Dues, contributions or gifts to NAAA are not tax deductible as charitable contributions for income tax purposes.

**\* Please consider a charitable donation to support NAAREF programs. Donations are tax deductible as charitable contributions and provide needed funding for PAASS, Operation S.A.F.E., Fly Safe, etc.**
