

2024 AG AVIATION EXPO

NATIONAL AGRICULTURAL AVIATION ASSOCIATION | FORT WORTH, TEXAS

EXHIBITING OPPORTUNITIES

NOVEMBER 18-21, 2024

Fort Worth, TX

Reach More Buyers and Decision-Makers

Maximize your opportunities and increase ROI by exhibiting at the world's largest ag aviation exposition with an **expected 1,500+ aerial application operators, ag pilots and other attendees directly related to the agricultural aviation industry.** According to the past NAAA Ag Aviation Expo surveys, nearly three quarters of attendees stated that they spend the entire allotted time - seven to twelve hours - on the trade show floor.

Exhibiting at the Ag Aviation Expo **allows you to market your products and/or services to a targeted audience**, many of whom are looking for more information or to make a purchase. The NAAA Trade Show is the epicenter of knowledge, innovation and networking!

While we live in a digital world, the value of face-to-face marketing should not be underestimated. As an exhibitor you can create valuable face-to-face interaction with your current and potential customers, expanding awareness and potentially increasing sales.

Bottom line: Exhibiting at the Ag Aviation Expo can help deliver your message to the right people, in the right context.

Reasons to Exhibit at the 2024 Ag Aviation Expo

- **Local, regional, state, national and international exposure.** The world's largest targeted audience of purchasers of ag aviation equipment, parts and services will be attending the convention and will have the opportunity to obtain more information about your company and products.
- **The lure of the exhibit hall.** The exhibit hall is a focal point for attendees. You can educate the attendees about your products and/or services. Show a demonstration or give away a sample or a takeaway (if applicable).
- **Destination for Information.** By attending education sessions with attendees, as an exhibitor, you have the best opportunity to gain insight into the market and find out what is most important to the people buying your products/services. Plus, the NAAA Trade Show is a destination for your information; exhibiting enhances your company's credibility and commitment to what you are offering.
- **Exclusive networking opportunities.** Networking with attendees on the trade show floor will generate new sales and/or leads and potential business partnerships for your company. You can visit with current customers to ensure a strong relationship and you will walk away with new contacts and very likely sales.
- **The place to meet your competitors and colleagues.** Professionals consider the Ag Aviation Expo to be a key industry event. You can take advantage of this to raise awareness about your company.
